LABOR AGREEMENT

Between

CITY OF MINNEAPOLIS

and

INTERNATIONAL BROTHERHOOD OF ELECTRICAL WORKERS, LOCAL NO. 292, AFL-CIO

THIS AGREEMENT, hereinafter referred to as the ***Labor Agreement*** or the ***Agreement***, is made and has been entered into effective the 1st day of January, 2009 by and between the City of Minneapolis, the ***Employer***, and the International Brotherhood of Electrical Workers, Local No. 292, AFL-CIO, the ***Union***. The Employer and the Union, the ***Parties***, agree to be bound by the following terms and provisions:

ARTICLE 1
RECOGNITION AND UNION SECURITY

Section 1.01 - Recognition and Amendments to Unit

Subd. 1. Recognition

The Employer recognizes the Union as the sole and exclusive certified collective bargaining representative of all employees whose job classifications and rates of pay are set forth in Appendix "A" of this Agreement, except those who are Supervisors and Confidential employees within the meaning of the *Minnesota Public Employment Labor Relations Act*, as amended, those who are otherwise excluded by the Act, and all other employees.

Subd. 2. Amendment to Certified Unit

Disputes which arise between the Employer and the Union over the inclusion or exclusion of any job classifications may be referred by either Party to the Commissioner, Bureau of Mediation Services, State of Minnesota, for determination in accordance with applicable statutory provisions. Determination by the Commissioner shall be subject to such review and determination as is provided by statute and such rules and regulations as are promulgated there under. In the event the Employer has established a new job classification which is added to the bargaining unit by agreement between the Parties or by determination of the Commissioner, Bureau of Mediation Services, State of

Minnesota, the Parties agree to negotiate with one another concerning wages and such other terms and conditions of employment as may be applicable to the position and which are not covered by this Agreement. However, it is agreed that all other terms and provisions of the Agreement shall apply to the new job classification.

Section 1.02 - Union Dues and Fair Share Fees Check-Off

Subd. 1. Union Dues Payroll Deductions

In recognition of the Union as the exclusive representative, the Employer shall deduct an amount sufficient to provide the payment of the regular monthly Union membership dues uniformly established by the Union from the wages of all employees who have authorized, in writing, such deduction on a form designated and furnished by the Union. The Union shall certify to the Employer, in writing, the current amount of regular monthly membership dues which it has uniformly established for all members. Such deductions shall be cancelled by the Employer upon a written request made by the involved employee to the Union with a copy to the appropriate departmental payroll office.

Subd. 2. Fair Share Fees Payroll Deductions

In accordance with *Minnesota Statutes* §179A.06, Subd. 3, the Employer shall, upon notification by the Union, deduct a *fair share fee* from all certified employees who are not members of the Union. This fee shall be an amount equal to the regular membership dues of the Union, less the cost of benefits financed through the dues and available only to members of the Union, but in no event shall the fee exceed eighty-five percent (85%) of the Union's regular membership dues or such amount as may otherwise be allowable by law. The Union shall certify to the Employer, in writing, the current amount of the fair share fee to be deducted as well as the names of bargaining unit employees required by the Union to pay the fee.

Subd. 3. Time of Deductions

The Employer shall deduct Union dues and fair share fees each payroll period. In the event an employee covered by the provisions of this section has insufficient pay due to cover the required deduction, the Employer shall have no further obligations to effect subsequent deductions for the involved payroll period.

Subd. 4. Remittance

The Employer shall remit such membership dues and fair share fees deductions made pursuant to the provisions of this section to the appropriate designated officer of the Union by the 15TH of the month following the month of the date of the deduction along with a list of the names of the employees from whose wages deductions were made and not made.

Subd. 5. General Administration

The following shall be applicable to the administration of the provisions of this section:

a. All certifications from the Union as to the amounts of deductions to be made as well as notifications by the Union and/or bargaining unit employees as to changes in deductions must be received by the Employer at least fourteen (14) calendar days in advance of the date upon which the deduction is scheduled to be made in order for any change to be effected.

b. The Employer shall, upon the request of the Union, but no more frequently than once each calendar quarter, provide the Union with a report showing the names of those employees in the bargaining unit along with their classifications and department locations, mailing addresses of record, Union Code, current rates of pay, and classification/City seniority.

c. When an employee on the dues deduction transfers from one work location within the bargaining unit to another, the deduction of dues shall not be terminated except as directed by the involved employee.

d. No other employee organization shall be granted payroll deduction of dues for employees covered by the Agreement without the express written permission of the Union.

Subd. 6. Hold Harmless

The Union agrees to indemnify, defend and hold the Employer, its officers, agents and employees harmless against any and all claims, suits, orders or judgments brought or issued against the Employer, its officers, agents and employees as a result of any action taken or not taken in compliance with the specific provisions of this section or which are taken or not taken at the request of the Union.

Section 1.03 - Exclusive Representation

The Employer shall not enter into any agreements with the employees covered by this Agreement either individually or collectively or with any other employee organization which in any way conflicts with the terms and provisions of this Agreement. Further, the Employer shall meet and negotiate, pursue the resolution of grievances and conduct arbitration proceedings only with the properly designated representative(s) of the Union.

Section 1.04 - Union Stewards

The Union may designate certain bargaining unit employees to act as stewards and shall certify to the Employer, in writing, their names, along with the names of business representatives and/or officers of the Union who shall be authorized by the Union to investigate and present grievances. The Employer agrees to recognize such representatives, subject to the following:

Subd. 1. Number of Stewards

A shop steward shall be appointed by the Union on each shift for each of the Employer's principle work areas from among the Union members who work under this Agreement.

Subd. 2. Activities of Stewards

Designated and certified stewards shall be granted reasonable time off, with pay, in order to investigate and/or present grievances to the Employer during their normal working hours. Such stewards, however, shall not leave their work stations without first obtaining the permission of their immediate supervisor and shall notify their immediate supervisor upon returning to work. The permission of the supervisor shall not be denied without good cause. When the steward and the business manager or his/her appointed officer agree that it is beneficial to have an officer of the Union participate in such presentation and/or investigation, such officer shall also be authorized time off with pay for this purpose. Stewards and other representatives of the Union shall not interfere in any way with the Employer's operation or with the performance of work by its employees. Nothing in this paragraph, however, shall be construed to limit the proper presentation of grievances provided for by this subdivision.

Section 1.05 - Visitation

With notice to an available supervisor at a worksite, non-employee representatives of the Union who have been certified to the Employer may come on the worksite for the purpose of investigating and presenting grievances. The Union agrees there shall be no solicitation for membership, signing up of members, collection of initiation fees, dues, fines or assessments, meetings or other Union activities on the Employer's time by such non-employee representatives, the Union's stewards or any officers of the Union.

Section 1.06 - Bulletin Boards

The Employer shall provide for the Union's use, reasonable space on designated bulletin boards for the purpose of posting official Union notices. Each posted notice shall bear the signature of the Union representative who has posted the notice and the date of the posting. Such person shall be required to remove the notice once it has served its purpose. The Union shall not post material of a political nature.

Section 1.07 - Union Membership

Employees have the right to join or to refrain from joining the Union. Neither the Employer nor the Union nor any of their respective agents or representatives shall discriminate against or interfere with the rights of employees to become or not become members of the Union, and further there shall be no discrimination or coercion against any employee because of Union membership or non-membership. The Union shall, in its responsibility as exclusive representative of the employees, represent all bargaining unit employees without discrimination, interference, restraint, or coercion.

ARTICLE 2
MANAGEMENT RIGHTS

The Union recognizes the right of the Employer to operate and manage its affairs in all respects in accordance with applicable laws and regulations of appropriate authorities. All rights and authority which the Employer has not officially abridged, delegated or modified by the express terms and provisions of this Agreement are retained by the Employer.

ARTICLE 3
NO STRIKE - NO LOCKOUT

Section 3.01 - No Strike

The Union, its officers or agents, or any of the employees covered by this Agreement shall not cause, instigate, encourage, condone, engage in, or cooperate in any strike, work slowdown, mass resignation, mass absenteeism, the willful absence from one's position, the stoppage of work, or the abstinence in whole or in part of the full, faithful and proper performance of the duties of employment during the term of this Agreement.

Section 3.02 - No Lockout

The Employer agrees that neither it, its officers, agents nor representatives, individually or collectively, will authorize, institute or condone any lockout of employees during the term of this Agreement.

Section 3.03 - Violations by Employees

Any employee who violates any provision of this article may be subject to disciplinary action, including discharge.

ARTICLE 4
SETTLEMENT OF DISPUTES

Section 4.01 – Scope

This article shall apply to all members of the bargaining unit.

Section 4.02 – Letter of Inquiry

Any employee may file a "letter of inquiry" which requests information on salary, working conditions and/or benefits. Such "letter of inquiry" is available from the business agent or steward. The business agent shall process the letter of inquiry. Where the business agent believes it necessary, he/she may request in writing from the Director, Employee Services information to enable a response

to the inquiry. The information requested shall be provided by the Director, Employee Services within ten (10) calendar days of receipt of the request. The business agent will respond to the member.

Section 4.03 – Informal Problem Resolution

From time to time, violations relating to the application of this Agreement may arise. Many of these violations can be resolved informally. An alleged violation that cannot be resolved informally is called a grievance.

Section 4.04 – Definition, Timelines and Form

A grievance is any specific dispute arising between the employee(s) covered by this Agreement and the Employer concerning, and limited to, the proper interpretation or application of the express terms and provisions of this Agreement. Grievances shall be resolved in the manner outlined in this article.

Subd. 1. Time Limits

Time limits, as specified in the grievance procedure, may be extended by written mutual agreement of the parties. The failure of the City to comply with any time limit herein means that the Union may automatically process the grievance to the next step of the grievance procedure. Failure of the Union or its employees to comply with any time limit herein renders the alleged violation untimely and no longer subject to the grievance procedure.

Subd. 2. Commencement of Grievance

A grievance must be commenced at step one no later than twenty-one (21) days from the discovery of the grievable event(s) or fourteen (14) days from when the event(s) reasonably should have been discovered, whichever is later. Unless otherwise expressed, days shall mean calendar days.

Subd. 3. Grievance Forms

Forms for the grievance procedure will be developed jointly.

Subd. 4. Cooperation

The City will cooperate with the Union to expedite the grievance procedure to the maximum extent practical.

Section 4.05 - Step One (Immediate Supervisor)

An employee shall inform the immediate supervisor of the grievance in writing on the standard grievance form.

If an employee representative expressly requests a discussion with the immediate supervisor

concerning the written grievance, such discussion shall take place within seven (7) days after filing the grievance unless the time is mutually extended. The discussion with the immediate supervisor shall be held with one of the following:

The employee accompanied by a Union representative;
The Union representative alone if the employee so requests.

Within ten (10) days after the grievance is filed or the discussion meeting concludes, whichever is later, the immediate supervisor shall state his/her decision, in writing, together with the supporting reasons, and shall furnish one (1) copy to the employee who filed the grievance, one (1) copy to the business agent, and one (1) copy to the Director, Employee Services. Each step one decision shall be clearly identified as a "step one decision."

Section 4.06 - Step Two (Department Head)

If the step one decision is not satisfactory, a written appeal may be filed by the Union with the department head within ten (10) days of the date of the step one decision. A copy of the appeal shall be sent to the Director, Employee Services.

Upon request of either party, all persons who participated at step one, or all necessary persons shall have a reasonable opportunity to be heard at step two. If a meeting is requested by the Union, the department head shall schedule a meeting. Notification of at least three (3) days shall be given to the Union.

Within twenty-one (21) days after the meeting or the receipt of the appeal, whichever is later, the department head shall present a written decision to the Union. The step two decision shall clearly identify that answer as a "step two decision."

Section 4.07 - Step Three (Director of Human Resources or his/her Designee)

If the step two decision is not satisfactory, a written appeal may be filed by the Union to the Director of Human Resources, or his/her designee, within fourteen (14) days of the date of the step two decision. Upon request of the Union, a meeting shall be held between the Director of Human Resources, or his/her designee, and a representative of the Union. The meeting shall be scheduled by the Director of Human Resources, or his/her designee, and held within twenty-one (21) days after receipt of the written appeal.

The Director of Human Resources, or his/her designee, shall have the full authority of the Mayor and the City Council to resolve the grievance.

Within twenty-one (21) days after the step three meeting or receipt of the step three appeal, whichever is later, the Director of Human Resources or his/her designee shall send a written response to the Union. The step three decision shall clearly identify that answer as a "step three decision."

Section 4.08 - Step Four (Regular Arbitration)

Within seven (7) days of the date of the step three decision the Union shall have the right to submit the matter to arbitration by informing the Director of Human Resources or his/her designee that the matter is to be arbitrated. Thereafter, the Parties shall attempt to have the grievance resolved in a timely manner. When a party has the burden of production, any period of inactivity greater than thirty (30) days shall result in the matter becoming untimely. The defaulting party shall be solely responsible for the arbitrator's fee, if any.

If the matter is to be arbitrated, a single arbitrator shall be selected from the panel of mutually agreed upon arbitrators. The Arbitrator shall be selected on an alphabetical, rotational basis with each Party having the right to exercise one strike. If the Arbitrator is stricken, s/he will retain his/her position in the order. Either party may request an annual review of the panel at which time a new panel may be selected.

Within thirty (30) days following the close of the hearing or the submission of briefs by the parties, the arbitrator shall render a written decision based upon the facts presented and provide the reasons for the determination. The decision shall resolve the grievance and order any appropriate relief. The decision and award of the arbitrator shall be final and binding upon the Employer, the Union and the employee (s) affected.

The arbitrator shall have no authority to amend, modify, nullify, ignore, add to, or subtract from the provisions of this agreement.

The arbitrator is also prohibited from making any decision that is contrary to law or to public policy.

Subd. 1. Pay During Proceeding

One representative of the Union, the Grievant and all necessary employee witnesses shall receive their regular salary and wages for the time spent in the arbitration proceeding if such proceeding is held during regular work hours.

Section 4.09 - Expedited Arbitration (optional)

The Union and the Employer may mutually agree to expedited arbitration. Upon such agreement, the Union and the Employer will make immediate (within twenty-four (24) hours) arrangements with the Bureau of Mediation Services for the expedited arbitration procedure and such procedure shall begin as soon as the Bureau can initiate a hearing. It shall be the specific request of both the Union and the Employer to have a decision within fourteen (14) days of the hearing, and that no briefs will be filed.

Section 4.10 – Mediation (optional)

The Parties may, by mutual agreement, utilize the grievance mediation process in an attempt to resolve a grievance before going to arbitration.

The objective of mediation is to find a mutually satisfactory resolution to the dispute. The parties shall mutually choose a mediator or have a mediator assigned by the Bureau of Mediation Services.

Subd. 1. General Provisions

Arbitration time frames shall be tolled during the mediation procedure; however, there shall be no additional extensions without written mutual agreement.

Grievances that have been appealed to arbitration may be referred to mediation if both the Parties agree.

Mediation conferences shall be scheduled in the order in which the grievance is appealed to mediation with the exception of suspension or discharge grievances, which shall have priority.

Promptly after both parties have agreed to mediate, the parties shall notify the Bureau of Mediation Services. The Bureau of Mediation Services shall arrange for the conference.

The mediation proceedings shall be informal in nature and the goal will be to mediate up to three (3) grievances per day.

Each party shall have one (1) principal spokesperson that will have the authority to agree upon a remedy of the grievance at the mediation conference.

One (1) Grievant will have the right to be present for each grievance.

The issue mediated will be the same as the issue the parties have failed to resolve through the grievance process. The rules of evidence will not apply, and no transcript of the mediation conference shall be made.

The mediator may meet separately with the parties during the mediation conference. The mediator will not have the authority to compel the resolution of a grievance.

Written material presented to the mediator or to the other party shall be returned to the party presenting the material at the termination of the mediation conference, except that the mediator may retain on (1) copy of the written grievance to be used solely for the purposes of statistical analysis.

If no settlement is reached during the mediation conference, the mediator may provide the parties with an immediate oral advisory opinion if requested by either or both parties. The opinion will involve the interpretation or application of the collective bargaining agreement and the reasons for his/her opinion. The parties may agree that no opinion shall be provided.

The advisory opinion of the mediator, if accepted by the parties, shall not constitute a precedent, unless the parties otherwise agree.

If no settlement is reached as a result of the mediation conference, the grievance may be

scheduled for arbitration in accordance with Section 4.08.

In the event a grievance that has been mediated is subsequently arbitrated, no person who served as the mediator may serve as the arbitrator. In the arbitration hearing, no reference to the mediator's advice or ruling may be entered as testimony nor may either party advise the arbitrator of the mediator's advice or ruling or refer at arbitration to any admissions or offers of settlement made by the other party at mediation.

By agreeing to schedule a mediation conference, the Employer does not acknowledge that the case is properly subject to arbitration and reserves the right to raise this issue notwithstanding its agreement to schedule such a conference.

The fees and expenses of the mediator and mediation office, if any, shall be shared equally by the Parties.

Subd. 2. Pay During Proceeding

One representative of the Union, and all necessary employee witnesses shall receive their regular salaries or wages for the time spent in the grievance mediation proceeding, if such proceeding is held during regular working hours.

Section 4.11 - Election of Remedy

Employees covered by Civil Service systems created under Chapter 43a, 44, 375, 387, 419, or 420, by a Home Rule Charter under Chapter 410, or by laws 1941, Chapter 423, may pursue a grievance through the procedure established under this section. When a grievance is also within the jurisdiction of appeals boards or appeals procedures created by Chapter 43a, 44, 375, 387, 419, or 420, by a Home Rule Charter under 410, or by laws 1941, Chapter 423, the employee may proceed through the grievance procedure or the Civil Service appeals procedure, but once a written grievance or appeal has been properly filed or submitted by the employee or on the employee's behalf with the employee's consent, the employee may not proceed in the alternative manner.

Nothing in this contract shall prevent an employee from pursuing both a grievance under this contract and a charge of discrimination brought under Title VII, The Americans with Disabilities Act, the Age Discrimination in Employment Act, or the Equal Pay Act.

ARTICLE 5
EMPLOYEE DISCIPLINE AND DISCHARGE

Section 5.01 - Just Cause

Disciplinary action may be imposed upon an employee who has satisfactorily completed the initial probationary period only for just cause. Discipline shall be imposed in a timely manner.

Section 5.02 - Progressive Discipline

Disciplinary action shall normally include only the following measures and, depending upon the seriousness of the offense and other relevant factors, shall normally be administered progressively in the following order:

Subd. 1. Reprimands, either oral or written;

Subd. 2. Suspension from duty without pay;

Subd. 3. Demotion in position and/or pay or discharge from employment.

If the Employer has reason to reprimand an employee, it shall normally not be done in the presence of other employees or the public.

Section 5.03 - Discharge Due Process

No *regular employee* (i.e., an employee who has satisfactorily completed the initial probationary period) shall be discharged without having been afforded an opportunity to hear the reason(s) for the discharge and without an opportunity to offer an explanation of the relevant facts and circumstances surrounding the events which preceded the discharge and/or any extenuating or mitigating circumstances which the employee believes is relevant to the discharge decision. Whenever possible and practical, such opportunities shall be provided in a conference with the Employer which shall be conducted after advance notice to the employee and his/her Union representative who shall be permitted to attend the conference. If a conference is to be conducted, the involved employee(s) shall remain in pay status until the conference has been completed.

Section 5.04 - Appeals

Disciplinary actions within the meaning of this article, excluding oral reprimands, imposed upon an employee who has completed the initial probationary period, may be appealed through the grievance procedure outlined elsewhere in this Agreement. Grievances filed concerning suspensions, demotions and/or discharges may be initiated at Step 2 of such procedure. Such matters shall be handled in accordance with the provisions of the grievance procedure; and, if necessary, through the arbitration procedure.

Section 5.05 - Disciplinary Action Records

A written record of all disciplinary actions within the meaning of this article, excluding oral reprimands, shall be provided to the involved employee(s) and may be entered into the employee's personnel record. Investigations into conduct which do not result in disciplinary action, however, shall not be entered into the employee's personnel record. When a disciplinary action more severe than a written reprimand is imposed, the Employer shall notify the employee in writing of the specific reason(s) for such action at the time such action is taken and provide the Union with an

informational copy. Written reprimands shall not be relied upon to form the basis for further disciplinary action after two (2) years following the date of the written reprimand.

Section 5.06 - Disciplined Employee's Response

Any employee who is disciplined by written reprimand, suspension, demotion or discharge (and/or such employee's Union representative) shall be entitled to have a written response, if any, included in their personnel record, if filed with the Employer within twenty (20) calendar days of the issuance thereof.

Section 5.07 - Union Representation

All employees shall have the right to request Union representation at any conference concerning a grievance, investigation or a complaint involving performance or employment status of the employee.

ARTICLE 6
SENIORITY

Section 6.01 - Seniority Defined

When used in this Agreement, the terms *City seniority* and *classification seniority* shall have the meanings given them below:

Subd. 1. City Seniority Defined

C*ity Seniority* is defined as the length of uninterrupted employment with the Employer and based on the date of the employee's first day of employment.

Subd. 2. Classification Seniority Defined

Classification Seniority is defined as the length of employment within a job classification and based on the date the employee began working in that classification on a permanent basis.

Subd. 3. Seniority During Workers' Compensation Absences

City and classification seniority shall not be lost and shall continue to accumulate without limitation during all workers' compensation absences.

Subd. 4. Ties in Seniority

Ties in classification seniority shall be broken by City seniority. Ties in City seniority shall be broken randomly.

Section 6.02 - System Seniority Credit

Upon hiring an applicant who was previously employed by the Minneapolis Library Board, the Minneapolis Board of Education and/or the Minneapolis Park and Recreation Board, the Employer shall grant City and classification seniority credit for all purposes provided such applicant's employment is continuous between such Boards and the Employer and to the extent that such Boards afford reciprocal recognition of seniority credit to the employees covered by this Agreement.

Section 6.03 - Loss of Seniority

An employee's seniority shall be lost and his/her employment shall be terminated upon the occurrence of any of the following:

Subd. 1. He/she quits or retires and does not rescind such action within five (5) calendar days;

Subd. 2. He/she is discharged and the discharge is not reversed;

Subd. 3. He/she has been laid off and not actively working for the Employer for a period of three (3) years.

ARTICLE 7
FILLING VACANT POSITIONS

Section 7.01 - General Provisions

The Parties agree that the following provisions respecting the filling of vacant bargaining unit positions shall be applicable in addition to other Employer-promulgated procedures to the extent that such procedures do not conflict with the provisions herein. The provisions herein shall become effective upon ratification of this Agreement and shall be applicable to all Job Postings conducted for the purpose of filling vacant bargaining unit positions.

Section 7.02 – Job Postings and Applications

Subd. 1. Job Postings

Job Postings, when offered, shall be posted for a period of not less than ten (10) calendar days. The Job Posting shall set forth the title, salary, nature of work to be performed, minimum qualifications, the place and manner of making applications and the closing date applications will be received. The Employer may establish a definite or an indefinite closing date for the filing of applications. If the Employer has established an indefinite closing date, it must notify employees of any fixed closing date, later determined, by a posting adjacent to the originally posted Job Posting. Job Postings for newly created positions and/or for positions for which the title, salary, nature of work to be performed and/or minimum qualifications are materially different from the Job Posting

previously used, shall not be finalized by the Employer until the affected Union representative has had an opportunity to review the proposed Job Posting and provide the Union's input into the Job Posting development process. A copy of the Job Posting in its final form shall be furnished to the Union.

Subd. 2. Stated Qualifications

The minimum qualifications set forth in the Job Posting shall be related to the job duties of the involved position and shall include applicable education, training, experience, skills and abilities required. Such minimum qualifications shall not, however, include artificial and/or irrelevant time-in-grade, promotional line and/or grade level requirements.

Subd. 3. Application for Promotion

Employees who have successfully completed their initial probationary period may make application for any Job Posting provided they meet the minimum, stated qualifications for the involved position; provided, however, that employees who have failed a promotional probationary period in a classification shall not be permitted to take an examination for promotion to that classification within twelve (12) months of the date of such failure.

Subd. 4. External Job Postings

The Employer may, in its discretion, conduct External Job Postings. The Employer may advertise an external position internally and externally simultaneously. For purposes of this article, applicants from the Minneapolis Library Board, the Minneapolis Board of Education and the Minneapolis Park and Recreation Board shall be considered as *outside* applicants.

Section 7.03 - Examination of Qualified Applicants

Subd. 1. Examination Times

When an employee is scheduled to take a Minneapolis Civil Service examination during his or her regular scheduled hours of duty, the Employer shall grant time off, with pay, to take the examination.

Subd. 2. Examination Scores

One hundred percent (100%) of the total examination score shall be based upon the results of each applicant's test score(s). Such tests shall be developed by the Employer and may consist of more than one component.

Section 7.04 – Requisition Lists

Subd. 1. Passing Score

Each applicant whose 1) total examination score, and 2) test score(s) equals or exceeds seventy (70) points, shall be considered to have passed the examination.

Subd. 2. Eligibles - Requisition Lists

The names of those applicants who have passed an examination shall be placed on a Requisition List in descending order of their total examination scores in addition to any Veteran's Preference points, if applicable. In the event two or more eligibles hold identical total examination scores, their names shall be placed on the Requisition List in random order; however, the names of Veterans shall always be placed over the names of non-Veterans who hold identical scores.

Subd. 3. List Expiration

The Staffing Division of the Human Resources Department shall inform applicants of the length of their eligibility by stating it on the Job Posting and/or by letter.

Section 7.05 - Selection of Certified Eligibles

Any or all of the eligibles on a requisition list may be certified to the appointing authority for selection. In the event an external job posting is conducted, at least the top three internal applicants who pass the exam shall be certified for interview. Any of the eligibles certified to the appointing authority may be selected to fill the vacant position. The name of the eligible selected shall be removed from the requisition list.

Section 7.06 - Probationary Periods

An eligible selected to fill a vacant position shall serve an initial or promotional probationary period as applicable. All probationary periods shall be six (6) months in duration. An employee may be removed from the position at the discretion of the appointing authority. Such removal shall not be subject to the grievance/arbitration provisions of this Agreement. Removal during an employee's initial probationary period shall result in termination of employment. An employee removed during a promotional probationary period, however, shall have the right to return to a vacant position in his/her previous classification, or, if none is available to his/her previous position. For purposes of this section, six (6) months shall be deemed to be one thousand forty-four (1044) hours of work. Time spent in temporary duty in the position immediately preceding the appointment shall count towards satisfaction of the probationary period, benefits eligibility (without retroactivity) and pay progression requirements.

Section 7.07 - Position Audit and Class Maintenance Studies

Subd. 1. Position Audit

Unless otherwise ordered by a court of competent jurisdiction, employees who believe that their individual position has changed due to gradual changes over a period of time in the kind, responsibility, or difficulty of the work performed, may request that their position be audited to assure proper classification. To request a position audit, the employee must submit a Job Analysis Questionnaire on the form provided by the Human Resources Department. The employee will complete the questionnaire and submit it to their supervisor for review, comments and signature. The supervisor will forward it to the department head for similar action. The department head will forward the completed and signed questionnaire to the Human Resources Department. If the supervisor fails to act upon the request within 30 calendar days, the employee may forward the request to the department head with another copy provided to the supervisor. If the department head fails to respond within 30 calendar days after receiving the questionnaire, the employee may document the department's failure to provide a timely response, and may then submit the study request directly to the Human Resources Department. Requests for study of an employee's individual position may be submitted no more than once every 24 calendar months, unless the Parties agree that substantial changes have occurred in the position justifying the need for a new audit.

If the audit results in a reclassification of the individual position no vacancy shall be deemed to have been created. Upon reclassification, to a position providing a higher maximum salary, the incumbent employee shall be appointed to the reclassified position and the incumbent employee's pay shall be determined in accordance with Section 9.03, Subd. 1 of this Agreement. The effective date of the reclassification for pay and seniority purposes shall be the date upon which the involved employee submitted a completed request for reclassification to the Employer's Human Resources Department with a copy to the involved Department Head. The provisions of this section shall apply only to the incumbent employee who has been permanently certified to the involved position.

When a position is reclassified as a result of gradual changes over a period of time in the kind, responsibility, or difficulty of the work performed in a position to a classification providing a lower maximum salary, the involved incumbent employee may request that the reclassification be considered to be a layoff. If so requested, the provisions of Article 8 ("Layoff and Recall From Layoff") shall be applied. In the alternative, the involved incumbent employee may elect to remain in the reclassified position and the incumbent employee's pay shall be frozen until such time as the salary for the new classification is the same or greater than the salary as frozen, at which point the salary schedule for the classification shall govern future changes.

Subd. 2. Class Maintenance Study

The Employer may initiate class maintenance studies related to a specific class or a group of positions within a department/division to maintain the integrity of the Employer's classification system. The Employer will consider requests by the Union to initiate such studies. The format of these studies may include an informal survey or an in-depth study of changes in the kind, responsibility, or difficulty of work performed since the classification was last studied at the

discretion of the Human Resources Department. Individuals in a studied class may not request a position study while the Maintenance Study is in progress. If the study is not completed within 120 days, the employee may request an individual position audit using the previously stated process and time frames for job audits.

If a class or group of positions is/are reclassified pursuant to a class maintenance study to a class providing a higher maximum salary, no vacancy shall be deemed to have been created. Upon reclassification, the incumbent employees shall be appointed to the reclassified position and the incumbent employees' pay shall be determined in accordance with Section 9.03, Subd. 1 of this Agreement. The effective date of the reclassification for pay purposes shall be January 1st of the calendar year following completion of the study. Incumbent employees shall maintain the classification seniority date of their previous classification as the classification seniority date of the new classification. The provisions of this section shall apply only to the incumbent employees who have been permanently certified to the involved positions.

When a class or group of positions is/are reclassified pursuant to a Maintenance Study to a class providing a lower maximum salary, the involved incumbent employee may request that the reclassification be considered to be a layoff. If so requested, the provisions of Article 8 ("Layoff and Recall From Layoff") shall be applied. In the alternative, the involved incumbent employee may elect to remain in the reclassified position and the incumbent employee's pay shall frozen until such time as the salary for the new classification is the same or greater than the salary as frozen, at which point the salary schedule for the classification shall govern future changes.

The Human Resources Department will develop an initial schedule of class maintenance studies in conjunction with the Union that provides that each class will be reviewed within six (6) calendar years from the date of execution of this Agreement. Thereafter, Human Resources will develop an on-going schedule of class maintenance studies that provides for a maintenance study on a rotating basis at least once every four (4) calendar years. Such studies may be done more frequently as needed to maintain the integrity of the classification system.

Section 7.08 - Permits and Details

The Employer may select employees for temporary duty in other classifications and/or positions (*details*) and/or utilize temporary employees (*permits*) for periods not to exceed the length of an incumbent employee's absence or six (6) consecutive calendar months, whichever is longer. Such limitations shall not be exceeded except by the express written mutual agreement between the Parties.

ARTICLE 8
LAYOFF AND RECALL FROM LAYOFF

Section 8.01 - Layoffs and Bumping

Whenever any permanent position is to be abolished or it becomes necessary because of lack of funds, lack of work to reduce the number of employees in the classified service in any department, the department head shall immediately report such pending layoffs to the City Coordinator or his/her designated representative. The status of involved employees shall be determined by the following provisions and the involved employees will be notified.

Subd. 1. General Order of Layoff

Within the affected classification, layoffs shall be made in the following manner:

a. Permit employees shall be first laid off;

b. Temporary employees (those certified to temporary positions) shall next be laid off;

c. Persons appointed to permanent positions shall then be laid off.

Subd. 2. Layoff Based on Classification Seniority

The employee first laid off shall be the employee who has the least amount of classification seniority in the classification in which reductions are to be made. Provided, however, employees retained must be deemed qualified to perform the required work and employees who possess unique skills or qualifications which would otherwise be denied the Employer may be retained regardless of their relative seniority standing. The temporary release of an *permanent intermittent* employee (i.e., one who is regularly employed on a seasonal, periodic or other recurring basis during the year) shall not be regarded as a *layoff* within the meaning of this article.

Subd. 3. Bumping

Employees who are laid off shall have their names placed on a layoff list for their classification. Such employees who have at least two (2) years of City seniority shall have the right to displace (*bump*) the employee of lesser City seniority who was last certified to progressively lower paid classification(s) previously held permanently (i.e., one in which the probationary period was satisfactorily completed) by the laid off employee and in which job performance was deemed by the Employer to be satisfactory which is lower than the original classification of the laid off employee. In all cases, however, the bumping employee must meet the current minimum qualifications of the claimed position and must be qualified to perform the required work.

Section 8.02 - Notice of Layoff

The Employer shall make every reasonable effort under the circumstances to provide affected employees with at least fourteen (14) calendar days notice prior to the contemplated effective date of a layoff.

Section 8.03 - Recall From Layoff

An employee in the classified service who has been laid off may be reemployed without examination in a vacant position of the same class within three (3) years of the effective date of the layoff. Failure to receive an appointment within three (3) years will result in the eligible's name being removed from the list.

Section 8.04 - Application and Scope

For purposes of this article, bargaining unit employees may displace (*bump*) non-bargaining unit employees. Further, non-bargaining unit employees shall be permitted to displace bargaining unit employees. Specifically, the provisions of this article respecting layoff, bumping and recall, shall be applicable to those employees excluded from the bargaining unit by virtue of their supervisory or confidential status.

Section 8.05 - Exceptions

The following exceptions may be observed:

Subd. 1. Mutual Agreement

If the Employer and the Union agree upon a basis for layoff and reemployment in a certain position or group of positions and such agreement is approved by the City Coordinator or his/her designated representative, employees will be laid off and reemployed upon that basis.

Subd. 2. Emergency Retention

Regardless of the priority of layoff, an employee may be retained on an emergency basis for up to fourteen (14) calendar days longer to complete an assignment.

ARTICLE 9
WAGES AND PAYROLLS

Section 9.01 - Classifications and Rates of Pay

Subd. 1. General

All positions covered by this Agreement shall be classified by the Employer and the minimum, maximum and intervening salary rates for such classification shall be those shown in Appendix "A" to this Agreement.

Subd. 2. Job Classification System

The Minneapolis Civil Service Commission (*MCSC*) shall administer the Employer's job classification system in accordance with the following criteria:

a. The job classification evaluative process shall be based upon professionally developed standards equally applied to all positions without bias.

b. Job classes shall be established which group positions that have identical or similar primary duties. Within each classification, the nature of the work shall be significantly different from other job classes.

c. Positions shall be classified based upon their job related contributions and/or assessed value to the City's functions.

d. New positions shall be evaluated and placed into job classes based upon a comparison of the similarity of the assigned duties to other positions in the job class. New positions shall be placed into existing job classes unless the duties or conditions of employment are found to be substantially different from other existing classes in the classified service.

e. The MCSC shall maintain appropriate records relating to classification studies and actions, and shall maintain a written class specification for each job class in the classified service describing typical duties and responsibilities of positions in the job class.

f. The MCSC, in coordination with the City's Affirmative Action Program, shall assign appropriate Federal Job Category (*FJC*) designations to each job class.

Disputes respecting the classification of jobs within any bargaining unit shall be directed to the MCSC for review and final action. No dispute respecting the classification of jobs shall be subject to the grievance/arbitration provisions of this Agreement. In the event, either by law or otherwise, the MCSC loses its legal authority to administer the Employer's job classification system during the life of this Agreement, the provisions of this section shall be null and void and the Parties shall meet and negotiate with one another, at the request of either of them, over an appeal procedure or other job classification dispute resolution process.

Section 9.02 - Pay Progressions

Subd. 1. General

All employees shall be eligible to be considered for advancement to the next higher step within the pay range for their classification, if applicable, upon the completion of each twelve (12) months of *actual paid service* (i.e., 2088 compensated hours) in such classification. Such increases may be withheld or delayed in cases where the employee's job performance has been of a less than satisfactory level in which case the employee shall be notified that the increase is being withheld or delayed and of the specific reasons therefore. All such denials or delays shall be grievable under the provisions of Article 4 of this Agreement. All increases approved pursuant to this section shall be made effective on the first day of the pay period, which includes the date of eligibility.

Subd. 2. Detailed Employees

The salary of an employee who is detailed to perform all or substantially all of the duties of a higher paid classification shall be determined by adding five percent (5%) to the salary received in the employee's permanent classification and then finding the salary increment closest to that figure in the new detail classification. When eligible for step advancement on the anniversary date in the permanent classification, the employee's wage will be recalculated, if the increase is not withheld or delayed, based upon their permanent classification. The detail pay will then be based upon the new wage in the permanent classification and in accordance with the above calculation.

Section 9.03 - Advances and Transfers

Subd. 1. Pay Upon Promotion

The salary of an employee who advances from one grade to a higher grade shall be the increment nearest the salary last received by such employee in the lower classification plus 5%. Thereafter, the employee shall be advanced in accordance with Section 9.02, Subd. 1. of this Article. An employee who voluntarily demotes to their previously held position within twelve (12) calendar months following promotion shall be returned to the same pay step which was applicable immediately prior to the promotion.

Subd. 2. Pay Upon Transfer

When an employee attains a position in another classification which provides for an identical pay progression schedule he/she shall retain the same pay step as was applicable in his/her previous position and the employee shall retain the same anniversary date for future pay increase effective dates.

Subd. 3. Pay Upon Demotion

The salary of an employee who voluntarily demotes shall be placed on the salary step on which they would be if they had remained in the position.

The salary of an employee who is demoted for disciplinary reasons from one classification to another which provides for a lower maximum salary, shall be the same step which the employee had before the demotion; however, the employee shall not be placed on a step which provides for a lower salary than the employee had prior to the promotion. Thereafter, the employee shall increase in accordance with Section 9.02 (*Pay Progressions*) of this article.

Section 9.04 - Payrolls and Paydays

All payrolls shall be calculated on a biweekly basis and employees shall normally be paid every other Friday.

Section 9.05 - Benefits Calculations and Accruals

For purposes of benefit plan administration, all compensated hours (exclusive of overtime hours and workers' compensation, unemployment compensation or similar insured compensation payments) shall be considered *hours worked* for all benefit accruals provided for by this Agreement. Benefit accruals shall be based upon a proportionate number of straight-time compensated hours only.

Section 9.06 - Shift Differential Pay

Subd. 1. - Applicability

Employees who are scheduled to work a full shift which begins between 12:00 noon and 4:59 a.m. shall be paid an additional twenty five cents ($0.25) per hour for all hours worked on such shift. In addition, should that same employee be authorized to come in early or stay over, working overtime immediately adjacent to such a shift, the shift differential shall also be applied to those hours. The Employer retains the right to determine who is eligible to work shifts that qualify for shift differential pay.

Effective November 1, 2001 - The rate shall be seventy cents ($0.70)
Effective January 1, 2002 - The rate shall be eighty five cents ($0.85)
Effective January 1, 2003 - The rate shall be one dollar ($1.00)

Subd. 2. - Limitations

Employees who are scheduled to work a full shift which begins outside the designated times denoted above shall not qualify for shift differential pay. Should these employees work overtime, either by coming in early or staying over, onto a shift which qualifies for the differential, their sole compensation shall be the payment of overtime or compensatory time, if applicable.

Employees who qualify for shift differential due to working a flex time schedule of their own choosing shall not qualify for shift differential. There shall be no duplication or pyramiding of the overtime and/or premium rates of pay under the provisions of this Agreement unless expressly authorized herein.

Section 9.07 - On Call Pay

The term "on call" is limited to a status in which an employee, though off duty, is required by the Employer, to be available and able to respond to inquiries by telephone and/or, if necessary, return to duty. The employee should receive clear advance notice that he/she will be "on call" and any schedule should be reasonable thus respecting the employee's personal life.

a. An employee will receive $35.00 for each weekday the employee is on call. The employee will receive $45.00 for each Saturday, Sunday or holiday the employee is on call.

b. The on call employee is expected to respond to telephone inquiries during the on call period without additional compensation. On call employees may be compensated for other work performed at home with the express approval of the department head.

In no case shall overtime pay or compensatory time be granted to employees in grades twelve (12) and above. The overtime pay/compensatory time status codes set forth in Appendix "A" of this Agreement (*OTC 1, 2, 3, or 4*) shall be applicable to bargaining unit employees as defined below:

For purposes of this article, *continuous years of service* shall be determined in accordance with the following:

Subd. 1. Credit During Authorized Leaves of Absence

Subd. 2. Negative Accruals Permitted

Employees certified to permanent positions prior to January 1, 1973 shall be allowed to accrue a negative balance in their vacation account. Such amount shall not exceed the anticipated earnings for the immediately succeeding twelve (12) month period. The anniversary date for increase in such employee's vacation allowance shall be January 1, of the year in which the employee's benefit level is changed. Employees separating from the service will be required to refund vacation used in excess of accrual at the time of separation, if any.

Section 13.01 - Leaves of Absence Without Pay

Leaves of absence without pay may be granted to permanent employees when authorized by State Statute or by the Employer pursuant to the provisions of this article upon written application to the employee's immediate supervisor or his/her designated representative. Subd. 4. School Conference and Activities Leave

Leaves of absence without pay of up to a total of sixteen (16) hours during any twelve (12) month period for the purpose of attending school, pre-school or child care provider conferences and classroom activities of the employee's child, provided that such conferences and classroom activities cannot be scheduled during non-work hours. When the need for the leave is foreseeable, the employee shall provide reasonable prior notice of the leave to their immediate supervisor and shall make a reasonable effort to schedule the leave so as not to disrupt the operations of the Employer. Employees may use accumulated vacation benefits or accumulated compensatory time for the duration of such leaves.

Subd. 5. Family and Medical Leaves

a. General. Pursuant to the provisions of the federal *Family and Medical Leave Act of 1993* and the regulations promulgated there under which shall govern employee rights and obligations as to family and medical leaves wherever they may conflict with the provisions of this subdivision, leaves of absence of up to twelve (12) weeks in any twelve (12) months will be granted to eligible employees who request them for the following reasons:

(i) for purposes associated with the birth or adoption of a child or the placement of a child with the employee for foster care,

(ii) when they are unable to perform the functions of their positions because of temporary sickness or disability, and/or

(iii) when they must care for their parent, spouse, *registered domestic partner* within the meaning of Minneapolis *Code of Ordinances* Chapter 142, child, or other dependents and/or members of their households who have a serious medical condition.

Unless an employee elects to use accumulated paid leave benefits while on family and medical leaves (see paragraph "f", below), such leaves are without pay. The Employee's group health, dental and life insurance benefits shall, however, be continued on the same basis as if the employee had not taken the leave.

b. Eligibility - Employees are eligible for family and medical leaves if they have accumulated at least twelve (12) months employment service preceding the request for the leave and they must have worked at least one thousand forty-four (1,044) hours during the twelve (12) month period immediately preceding the leave. In cases of the birth, adoption or foster placement of a child, family and medical leave may be taken intermittently only when expressly approved by the Employer.

e. Medical Certification. The Employer may require certification from an attending health care provider on a form it provides. The Employer may also request second medical opinions provided it pays the full cost required.

f. Relationship Between Leave and Accrued Paid Leave - Employees may use accrued vacation, sick leave or compensatory time while on leave. The use of such paid leave benefits will not affect the maximum allowable duration of leaves under this subdivision.

g. Reinstatement - Upon the expiration of family and medical leaves, employees will be returned to an equivalent position within their former job classification. Additional leaves of absence without pay described elsewhere in this Agreement may be granted by the Employer within its reasonable discretion, but reinstatement after any additional leave of absence without pay which may have been granted by the Employer in conjunction with family and medical leaves, is subject to the limitations set forth in Section 13.03 (*Leaves of Absence Governed by this Agreement*) of the Agreement.

Section 13.03 - Leaves of Absence Governed by this Agreement

Employees may be granted leaves of absence for reasonable periods of time provided the requests for such leaves are consistent with the provisions of this section. Employees on leave in excess of six (6) months will, at the expiration of the leave, be placed on an appropriate layoff list for their classification if no vacancies exist in their classification. Employees on leave of less than six (6) months will, at the expiration of the leave, return to their departments in positions within their classification. Such employees, so compensated, shall not be eligible to retain jury duty pay or witness fees and shall turn any such pay or fees received over to the Employer. If an employee is excused from jury duty prior to the end of the normal work day, he/she shall return to work if reasonably practicable or make arrangements for a leave of absence without pay. For purposes of this section, such employees shall be considered to be working normal day shift hours for the duration of their jury duty leave. Any absence, whether voluntary or by legal order to appear or testify in private litigation, not in the status of an employee but as a plaintiff or defendant, shall not qualify for leave under this section. Such absences shall be charged against accumulated vacation, compensatory time or be without pay.

Section 14.04 - Military Leave

Pursuant to applicable Minnesota statutes, employees who are qualified under the Statute are entitled to leaves of absence with pay during periods not to exceed fifteen (15) working days in any calendar year to fulfill service obligations.

Section 14.05 - Olympic Competition Leave

At the time such employees request the leave, they shall provide to their immediate supervisor written verification by a physician of the purpose and length of the required leave. The combined length of leaves for this purpose may not exceed forty (40) hours unless agreed to by the Employer in its sole discretion.

ARTICLE 15
SICK LEAVE

Section 15.01 - Sick Leave

Employees in the classified service of the City who regularly work more than twenty (20) hours per week shall be entitled to leaves of absence with pay, for actual, bona fide illness, temporary physical disability, or illness in the immediate family, or quarantine. Such leaves shall be granted in accordance with the provisions of this article.

Section 15.02 - Definitions

The term *illness*, where it occurs in this article, shall include bodily disease or injury or mental affliction, whether or not a precise diagnosis is available, when such disease or affliction is, in fact, disabling. Other factors defining sick leave are as follows:

Subd. 1. Ocular and Dental

Necessary ocular and dental care of the employee shall be recognized as a proper cause for granting sick leave.

Subd. 2. Chemical Dependency

Alcoholism and drug addiction shall be recognized as an illness. However, sick leave pay for treatment of such illness shall be contingent upon two conditions: 1) the employee must undergo a prescribed period of hospitalization or institutionalization, and 2) the employee, during or following the above care, must participate in a planned program of treatment and rehabilitation approved by the Employer in consultation with the Employer's health care provider.

Subd. 3. Chiropractic and Podiatrist Care

Absences during which ailments were treated by chiropractors or podiatrists shall constitute sick leave.

Subd. 4. Illness or Injury in the Immediate Family

Employees may utilize accumulated sick leave benefits for reasonable periods of time when their absence from work is made necessary by the illness or injury of their dependent child and up to three (3) days per calendar year when their absence from work is made necessary by the illness or injury of their spouse, *registered domestic partner* within the meaning of Minneapolis *Code or Ordinances* Chapter 142, parents, dependents other than their children and/or members of their household. The utilization of sick leave benefits under the provisions of this subparagraph shall be administered under the same terms as if such benefits were utilized in connection with the employee's own illness or injury. Additional time off without pay, or vacation, if available and requested in advance, shall be granted as may reasonably be required under individual demonstrated circumstances. Nothing in this subdivision limits the rights of employees under the provisions of Section 13.02, Subd. 5 (*Family and Medical Leaves*) of this Agreement.

Section 15.03 - Eligibility, Accrual and Calculation of Sick Leave

If permanently certified employees who have completed six (6) months of continuous service and who regularly work more than twenty (20) hours per week, are absent due to illness, such absences shall be charged against their accumulated accrual of sick leave. Sick leave pay benefits shall be accrued by eligible employees at the rate of twelve (12) days per calendar year worked and shall be calculated on a direct proportion basis for all hours of credited work time other than overtime.

Section 15.04 - Sick Leave *Bank* - Accrual

All earned sick leave shall be credited to the employee's sick leave *bank* for use as needed. Twelve (12) days of medically unverified sick leave may be allowed each calendar year. However, the Employer may require medical verification in cases of suspected fraudulent sick leave claims including where the employee's use of sick leave appears systematic or patterned. Three (3) or more consecutive days of sick leave shall require an appropriate health care provider in attendance and verification of such attendance. The term *in attendance* shall include telephonically-prescribed courses of treatment by a physician which are confirmed by a prescription or a written statement issued by the physician.

Section 15.05 - Interrupted Sick Leave

Permanently certified employees with six (6) months of continuous service who have been certified or recertified to a permanent position shall, after layoff or disability retirement, be granted sick leave accruals consistent with the provisions of this article. Employees returning from military leave shall be entitled to sick leave accruals as provided by applicable Minnesota statutes.

Section 15.06 - Sick Leave Termination

No sick leave shall be granted an employee who is not on the active payroll or who is not available for scheduled work. Layoff of an employee on sick leave shall terminate the employee's sick leave.

Section 15.07 - Employees on Suspension

Employees who have been suspended for disciplinary purposes shall not be granted sick leave accruals or benefits for such period(s) of suspension.

Section 15.08 - Employees on Leave of Absence Without Pay

An employee who has been granted a leave of absence without pay, except a military leave, shall not be granted sick leave accruals or benefits for such periods of leave of absence without pay.

Section 15.09 - Workers' Compensation and Sick Leave

Employees in the classified service shall have the option of using available sick leave accruals, vacation accruals, or of receiving workers' compensation (if qualified under the provisions of the *Minnesota Workers' Compensation Statute*) where sickness or injury was incurred in the line of duty. If sick leave or vacation is used, payments of full salary shall include the workers' compensation to which the employees are entitled under the applicable statute, and the employees shall receipt for such compensation payments. If sick leave or vacation is used, the employees' sick leave or vacation credits shall be charged only for the number of days represented by the amount paid to them in excess of the workers' compensation payments to which they are entitled under the applicable statute. If an employee is required to reimburse the Employer for the compensation payments thus received, by reason of the employee's settlement with a third party, his/her sick leave or vacation will be reinstated for the number of days which the reimbursement equals in terms of salary. In calculating the number of days, periods of one-half (½) day or more shall be considered as one (1) day and periods of less than one-half (½) day shall be disregarded.

Section 15.10 - Notification Required

Employees shall be required to notify their immediate supervisor as soon as possible of any occurrence within the scope of this article which prevents work. If the Employer has provided pre-work shift contact arrangements, employees shall be required to provide such notification no later than one (1) hour before the start of the work shift. If no such arrangements have been made,

employees shall be required to provide such notification as soon as possible but in no event later than one-half (½) hour after the start of the shift.

(b) Election. On or before December 10 of each year, the Employer shall provide to each Eligible Employee a written election form on which the Eligible Employee may elect whether he/she wants to receive cash payment for all or any portion of his/her sick leave that will be accrued during the calendar year immediately following the election (the "Accrual Year"). The employee shall deliver the election form to the Employer on or before December 31. Such election is irrevocable. Therefore, once an Eligible Employee transmits his/her election form to the Employer, the employee may not revoke the decision to receive cash payment for sick leave or change the amount of sick leave for which payment is to be made. If an Eligible Employee does not transmit an election form to the employer on or before December 31, he/she shall be considered to have directed the Employer to NOT make a cash payment for sick leave accrued during the Accrual Year.

(c) Payment. Within sixty (60) days after the end of the Accrual Year, an Eligible Employee who has elected to receive cash payment shall be paid as follows:

i. *At Least Sixty (60) Days, But Less Than Ninety (90) Days*. Payment shall be made for the amount of sick leave accrued during the Accrual Year up to the amount indicated by the employee on his/her election form. The amount of the payment shall be based on fifty percent (50%) of the employee's regular hourly rate of pay in effect on December 31 of the Accrual Year.

ii. *At Least Ninety (90) Days, But Less Than One Hundred Twenty (120) Days.* Payment shall be made for the amount of

sick leave accrued during the accrual year up to the amount indicated by the employee on his/her election form. The amount of the payment shall be based on seventy-five percent (75%) of the employee's regular hourly rate of pay in effect on December 31 of the Accrual Year.

iii. *At Least One Hundred Twenty (120) Days*. Payment shall be made for the amount of sick leave accrued during the accrual year up to the amount indicated by the employee on his/her election form. The amount of the payment shall be based on one hundred percent (100%) of the employee's regular hourly rate of pay in effect on December 31 of the Accrual Year.

(d) Adjustment of Sick Leave Bank. The number of hours for which payment is made shall be deducted from the Eligible Employee's sick leave bank at the time payment is made.

(e) Deferred Compensation. Employees, at their sole option, may authorize and direct the Employer to deposit sick leave credit pay under paragraph (c) to a deferred compensation plan or other tax qualified plan administered by the Employer provided such option is exercised at the same annual time as regular changes in deferred compensation payroll deductions are normally permitted.

Section 16.02 – Accrued Sick Leave Retirement Plan

Employees who retire from positions in the qualified service and who meet the requirements set forth in this Article shall be paid in the manner and amount set forth herein.

(a) Payment for accrued but unused sick leave shall be made only to retired former employees who:

ii. as of the date of retirement had accrued sick leave credit of no less than sixty (60) days; and

iii. as of the date of retirement had:

1. no less than twenty (20) years of qualified service as computed for retirement purposes, or

2. who have reached sixty years of age, or

3. who are required to retire early because of either disability or having reached mandatory retirement age.

(b) When an employee having no less than sixty (60) days of accrued sick leave dies prior to retirement, he/she shall be deemed to have retired because of disability at the time of death, and payment for his/her accrued sick leave shall be paid to the designated beneficiary as provided in this Section.

(c) The amount payable to each employee qualified hereunder shall be one-half (½) the daily rate of pay for the position held by the employee on the day of retirement, notwithstanding subsequent retroactive pay increases, for each day of accrued sick leave subject to a minimum of sixty (60) days.

(d) The amount payable under this Section shall be paid in lump sum following separation from employment but not more than sixty (60) days after the date of the employee's separation.

(e) If an employee entitled to payment under this Section dies prior to receiving the full amount of such benefit, the payment shall be made to the beneficiary entitled to the proceeds of his or her Minneapolis group life insurance policy or to the employee's estate if no beneficiary is listed.

4. CIRCUMSTANCES FOR DRUG OR ALCOHOL TESTING

The Employer may request or require an employee to undergo drug and alcohol testing if the Employer or any supervisor of the employee has a reasonable suspicion related to the performance of the job that the employee:

A. Is under the influence of drugs or alcohol while the employee is working or while the employee is on the Employer's premises or operating the Employer's vehicle, machinery, or equipment; or

B. Has used, possessed, sold or transferred drugs, alcohol or drug paraphernalia while the employee was working or while the employee was on the Employer's premises or operating the Employer's vehicle, machinery or equipment; or

C. Has sustained a personal injury as that term is defined in *Minnesota Statutes* §176.011, Subd. 16, or has caused another person to die or sustain a personal injury; or

D. Has caused a work-related accident with total property damage in excess of $1,000 or was operating or helping to operate machinery, equipment, or vehicles involved in such a work-related accident.

Whenever it is possible and practical to do so, more than one Agent of the Employer shall be involved in reasonable suspicion determinations under this policy.

5. REFUSAL TO UNDERGO TESTING

A. **Right to Refuse** - Employees have the right to refuse to undergo drug and alcohol testing. If an employee refuses to undergo drug or alcohol testing requested or required by the Employer, no such test shall be given.

B. **Consequences of Refusal** - If any employee refuses to undergo drug or alcohol testing requested or required by the Employer, the Employer may recommend to the Civil Service Commission that the employee may be discharged from employment on ground of insubordination and any other appropriate grounds.

C. **Refusal on Religious Grounds** - No employee who refuses to undergo drug or alcohol testing of a blood sample upon religious grounds shall be deemed to have refused unless the employee also refuses to undergo drug or alcohol testing of a urine sample.

6. PROCEDURE FOR TESTING

A. **Notification Form** - Before requesting an employee to undergo drug or alcohol testing, the Employer shall provide the individual with a form on which to (1) acknowledge that the individual has seen a copy of the Employer's *Drug and Alcohol Testing Policy*, and (2) indicate consent to undergo the drug and alcohol testing.

B. **Test Sample** - The test sample shall be obtained in a private setting, and the procedures for taking the sample shall ensure privacy to employees to the extent practicable, consistent with preventing tampering with the sample. All test samples shall be obtained by or under the direct supervision of a health care professional.

C. **Identification of Samples** - Each sample shall be sealed into a suitable container free of any contamination that could affect test results, be immediately labeled with the subject's social security number, be initialed by the subject, and be signed and dated by the person witnessing the sample.

D. **Chain of Custody** - The Employer shall ensure that a written record of the chain of custody of the sample is maintained and ensure the proper handling of the sample in compliance with the provisions of the Minnesota *Drug and Alcohol Testing in the Workplace Act* pertaining to chain of custody.

E. **Laboratory** - The Employer shall use the services of a testing laboratory which meets the criteria established by the Minnesota *Drug and Alcohol Testing in the Workplace Act* pertaining to testing laboratories; however, no test shall be conducted by a testing laboratory owned and operated by the City of Minneapolis.

F. **Methods of Analysis** - The testing laboratory shall use methods of analysis and procedures to ensure reliable drug and alcohol testing results, including standards for initial screening tests and confirmatory tests. The testing laboratory shall perform each test analysis in accordance with the applicable standards of the licensing, accreditation or certification program listed in the Minnesota *Drug and Alcohol Testing in the Workplace Act* in which it participates.

G. **Retention and Storage -** All blood and urine samples that produced a positive test result shall be retained and properly stored by the testing laboratory for at least six (6) months.

H. **Test Report** - The testing laboratory shall prepare a written report indicating the drugs, alcohol, or their metabolites tested for, the types of tests conducted, and whether the test produced negative or positive test results, and the testing laboratory shall disclose that report to the Employer within three (3) working days after obtaining the final test result.

I. **Positive Test Results** – In the event an employee tests positive for drug use, the employee will be provided, in writing, notice of his/her right to explain the test results. The employee may indicate any relevant circumstance, including over the counter or prescription medication taken within the last thirty (30) days which may have biased the test.

7. RIGHTS OF EMPLOYEES

Within three (3) working days after receipt of the test result report from the testing laboratory, the Employer shall inform in writing an employee who has undergone drug or alcohol testing of:

A. A negative test result on an initial screening test or of a negative or positive test result on a confirmatory test;

B. The right to request and receive from the Employer a copy of the test result report;

C. The right to request within five (5) working days after notice of a positive test result a confirmatory retest of the original sample at the employee's expense at the original testing laboratory or another licensed testing laboratory;

D. The right to submit information to the employer within three (3) working days after notice of a positive test result to explain that result; indicate any over the counter or prescription medications that you are currently taking or have recently (within the last month) taken and any other information relevant to the reliability of, or explanation for, a positive test result;

E. The right of an employee for whom a positive test result on a confirmatory test was the first such result for the employee on a drug or alcohol test requested by the Employer not to be discharged unless the employee has been determined by a certified chemical use counselor or a physician trained in the diagnosis and treatment of chemical dependency to be chemically dependent and the Employer has first given the employee an opportunity to participate in, at the employee's own expense or pursuant to coverage under an employee benefit plan, either a drug or alcohol counseling or rehabilitation program, whichever is more appropriate, as determined by the Employer after consultation with a certified chemical use counselor or a

physician trained in the diagnosis and treatment of chemical dependency, and the employee has either refused to participate in the counseling or rehabilitation program or has failed to successfully complete the program, as evidenced by withdrawal from the program before its completion;

F. The right to not be discharged, disciplined, discriminated against, or requested or required to undergo rehabilitation on the basis of a positive test result from an initial screening test that has not been verified by a confirmatory test;

G. The right, if suspended without pay, to be reinstated with back pay if the outcome of the confirmatory test or requested confirmatory retest is negative;

H. The right to not be discharged, disciplined, discriminated against, or required to be rehabilitated on the basis of medical history information revealed to the Employer concerning the reliability of, or explanation for, a positive test result unless the employee was under an affirmative duty to provide the information before, upon, or after hire;

I. The right to review all information relating to positive test result reports and other information acquired in the drug and alcohol testing process, and conclusions drawn from and actions taken based on the reports or acquired information;

J. The right to suffer no adverse personnel action if a properly requested confirmatory retest does not confirm the result of an original confirmatory test using the same drug or alcohol threshold detection levels as used in the original confirmatory test.

8. ACTION AFTER TEST

The Employer will not discharge, discipline, discriminate against, or request or require rehabilitation of an employee solely on the basis of a positive test result from an initial screening test that has not been verified by a confirmatory test. Where there has been a positive test result in a confirmatory test and in any confirmatory retest, the Employer will do the following unless the employee has furnished a valid medical reason for the positive test result:

A. **First Offense** - The employee will be referred for an evaluation by a certified chemical use counselor or a physician trained in the diagnosis and treatment of chemical dependency. If that evaluation determines that the employee has a chemical dependency or abuse problem, the Employer will give the employee an opportunity to participate in, at the employee's own expense or pursuant to coverage under an employee benefit plan, either a drug or alcohol counseling or rehabilitation program, whichever is more appropriate, as determined by the Employer after consultation with a certified chemical use counselor or a physician trained in the diagnosis and treatment of chemical dependency. If the employee either refuses to participate in the counseling or rehabilitation program or fails to successfully complete the program, as evidenced by withdrawal or discharge from the program before its completion, and

alcohol or drug abuse prevents the employee from performing the essential functions of the job in question or constitutes a direct threat to property or the safety of others or otherwise constitutes a bona fide occupational qualification, the Employer may discharge the employee from employment.

B. **Second Offense** - Where alcohol or drug abuse prevents the employee from performing the essential functions of the job in question or constitutes a direct threat to property or the safety of others or otherwise constitutes a bona fide occupational qualification, and the employee has previously received one program of treatment required by the Employer within the last five (5) years while an employee of the City of Minneapolis, the Employer may recommend to the Civil Service Commission that the employee be discharged from employment.

C. **Suspensions and Transfers** - Notwithstanding any other provisions herein, the Employer may temporarily suspend the tested employee or transfer that employee to another position at the same rate of pay pending the outcome of the confirmatory test and, if requested, the confirmatory retest, provided the Employer believes that it is reasonably necessary to protect the health or safety of the employee, co-employees, or the public.

D. **Other Misconduct** - Nothing in this policy limits the right of the Employer to discipline or discharge an employee on grounds other than a positive test result in a confirmatory test, subject to the requirements of law, the rules of the Civil Service Commission, and the terms of any applicable collective bargaining agreement. For example, if evidence other than a positive test result indicates that an employee engaged in the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance in the Employer's workplace, the employee may receive a warning, a written reprimand, a suspension without pay for a period not to exceed ninety (90) calendar days, a demotion, or a discharge from employment, depending upon the circumstances, and subject to the above requirements.

9. DATA PRIVACY

The purpose of collecting a body component sample of blood, breath, or urine is to test that sample for the presence of drugs or alcohol. A sample provided for drug or alcohol testing will not be tested for any other purpose. The name, initials and social security number of the person providing the sample are requested so that the sample can be identified accurately but confidentially. Information about medications and other information relevant to the reliability of, or explanation for, a positive test result is requested to ensure that the test is reliable and to determine whether there is a valid medical reason for any drug or alcohol in the sample. All data collected, including that in the notification form and the test report, is intended for use in determining the suitability of the employee for employment. The employee may refuse to supply the requested data; however, refusal to supply the requested data may affect the person's employment status. The Employer will not disclose the test result reports and other information acquired in the drug or alcohol testing process to

another employer or to a third party individual, governmental agency, or private organization without the written consent of the person tested, unless permitted by law or court order.

10. APPEALS PROCEDURES

A. Concerning disciplinary actions taken pursuant to this drug and alcohol testing policy, available appeal procedures are as follows:

1) Non-Veterans on Probation: An employee who has not completed the probationary period and who is not a Veteran has no right of appeal to the Civil Service Commission.

2) Non-Veterans After Probation: An employee who has completed the probationary period and who is not a Veteran has a right to appeal to the Civil Service Commission only a suspension of over thirty (30) days, a permanent demotion (including salary decreases), or a discharge, if the employee submits a notice of appeal within ten (10) calendar days of the date of mailing by the Employer of notice of the disciplinary action.

3) Veterans: An employee who is a Veteran has a right to appeal to the Civil Service Commission a permanent demotion (including salary decreases), or a discharge, if the employee submits a notice of appeal within sixty (60) calendar days of the date of mailing by the Employer of notice of the disciplinary action, regardless of status with respect to the probationary period. An employee who is a Veteran has a right to appeal to the Civil Service Commission a suspension of over thirty (30) days if the employee submits a notice of appeal within ten (10) calendar days of the date of mailing by the Employer of notice of the disciplinary action. An employee who is a Veteran may have additional rights under the Veterans Preference Act, *Minnesota Statutes* §197.46.

B. All notices of appeal must be submitted in writing to the Minneapolis Civil Service Commission, 250 South 4th Street - Room #100, Minneapolis, MN 55415-1339.

C. An employee who is covered by a collective bargaining agreement may elect to seek relief under the terms of that agreement by contacting the appropriate Union and initiating grievance procedures in lieu of taking an appeal to the Civil Service Commission.

11. EMPLOYEE ASSISTANCE

Drug and alcohol counseling, rehabilitation, and employee assistance are available from or through the Employer's employee assistance program provider(s) (E.A.P.).

12. DISTRIBUTION

Each employee engaged in the performance of any federal grant or contract shall be given a copy of this policy.

INTERNATIONAL BROTHERHOOD OF ELECTRICAL WORKERS, LOCAL NO. 292, Electrical Technicians Unit AFL-CIO

LETTER OF AGREEMENT
Return to Work/Job Bank Program and Related Matters

The City of Minneapolis and International Brotherhood of Electrical Workers Local #292—Electrical Technicians Unit, AFL-CIO (hereinafter referred to as the ***Employer*** and the ***Union***, respectively or the ***Parties***, collectively) have entered into a collective bargaining agreement (the ***Agreement***) dated January 1, 2009 through December 31, 2010. The Agreement covers the terms and conditions of employment of certain employees of the Employer who are represented for purposes of collective bargaining by the Union. This Letter of Agreement outlines additional agreements between the Parties which were reached during the term of the Agreement and which the Parties now desire to confirm.

GENERAL PROVISIONS OF THE RETURN TO WORK PROGRAM:

The employee's Return to Work Policy provides for the timely return to work of employees injured on the job who have temporary and/or permanent restrictions. The Return to Work Program offers services to assist employees injured on the job who have temporary and/or permanent restrictions. This program will assist active employees; it is not intended to provide services to temporary employees or sworn employees. Participation in the Return to Work Program is based on a medical release to return to work. Upon receipt of the medical release, the employer shall make every effort to provide appropriate work activity. Our goal is to assist the work injured on the job by providing appropriate work within three (3) working days of the receipt of the medical release.

If there is a question about the employee's medical release, the City's consulting physicians shall make the final determination of an employee's ability to return to work. If the employer is unable to offer appropriate work within the employee's limitations, the employer shall provide for the employer's portion of the health care benefit while the employee is in the Return to Work Program. The employer shall strive to provide appropriate work activity commensurate with the employee's medical work release.

Continuing eligibility in the Return to Work Program is based upon receipt of medical data documenting the employee's functional improvement. In addition, compliance with the Workers' Compensation Statutes, Return to Work Policy, Minneapolis Code of Ordinances §20.810,

applicable rules and this Agreement is mandatory. Compliance will be monitored by the claims coordinators and the Return to Work coordinator. Failure to comply with the requirements of this program may result in termination of the program. Compliance with the program will be determined by the employer.

GENERAL PROVISIONS OF THE RETURN TO WORK/JOB BANK PROGRAM:

The employer has created a Return to Work/Job Bank Program as a component of its resources allocation (budget) process. The Return to Work/Job Bank Program will share some common resources with the restructuring/economic job bank, but it will have different rights and responsibilities. The Return to Work/Job Bank Program will assist both the employer and its employees during a time of unplanned change caused by an injury on the job.

The purpose of the Return to Work/Job Bank Program is to assist the injured worker in returning to a different job within the City if they are unable to perform their original position as a result of work injury arising out of and in the course of employment for the City. It is the employer's intention, to the extent feasible under the circumstances, to identify employment opportunities for employees through reassignment, retraining and out-placement support. One of the goals of the Return to Work/Job Bank is to minimize, to the extent possible, the disruption normally associated with work-related injuries and return to work in alternative positions.

The Return to Work/Job Bank process shall be administered in a manner which is consistent with the employer's desire to treat employees with dignity and respect. The administrators will strike to provide as much information and assistance as may be reasonable possible and practical within the resources available. Our objective is to assist employees in making informed choices about their future with the City and at the same time to utilize the competency of City employees, whenever possible, in staffing vacant City positions. Mutual cooperation and participation is necessary in order to accomplish this objective.

RETURN TO WORK/JOB BANK POLICIES:

1. Injured, non-sworn, City employees who have been permanently certified or appointed and were injured on the job after June 1, 1995, and who have been assigned permanent restrictions that prevent the employee from returning to the pre-injury job, will be afforded the opportunities available in the Job Bank, Return to Work component. This policy will also cover employees injured on the job who are actively working for the City now and whose jobs are eliminated as a result of economic or restructuring decisions.

2. The services and benefits of the Job Bank will apply to employees injured on the job as long as the employee complies with the Workers' Compensation Statutes, Return to Work Policy, Minneapolis Code of Ordinances §20.810, applicable rules and this Agreement. Employee compliance will be determined by the City. These services and benefits include:

a) 120-day tenure
b) Job interviews/Placement opportunities
c) Skills assessment
d) Training opportunities
e) Job-seeking classes
f) Health insurance continuation, if separated from employment, as provided for in the Minneapolis Code of Ordinances, §20.470.

3. The Workers' Compensation fund will pay for the salaries of those injured employees while in the Job Bank.

4. The department that the employee came from has the primary responsibility for finding temporary employment for the employee while they are in the Job Bank. The CMC nurse, Return to Work liaison, claims coordinator, and qualified rehabilitation consultant will aid in determining alternate employment if the original department is unable to identify temporary work.

5. If the injured worker has not been placed after one hundred twenty (120) calendar days, they will be separated from City service.

6. Failure to participate in a diligent job search or to comply with requirements of Workers' Compensation Law during participation in the Return to Work or Job Bank programs may result in termination of Job Bank services and benefits.

7. An employee has no further tenure in the Job Bank Program after a formal job offer has been made.

8. An employee is entitled to use the Return to Work/Job Bank Program once.

9. Compliance with the Workers' Compensation Statutes, Return to Work Policy, Minneapolis Code of Ordinances §20.810, applicable rules and this Agreement will be monitored by the claims coordinators and the Return to Work coordinator. An employee's participation in this Program shall be terminated upon recommendation of the City.

10. There will be no exception to this Agreement without the approval of the Oversight Committee.

RETURN TO WORK/JOB BANK PROCESSES:

Job Assignment

1. Injured, non-sworn, City employees who have been permanently certified or appointed and were injured on the job after June 1, 1995 and who have been assigned permanent restrictions that prevent the employee from returning to their pre-injury job, will be afforded the opportunities available in the Return to Work/Job Bank Program. This policy will also cover injured employees

who are actively working now for the City and whose jobs are eliminated as a result of economic or restructuring decisions.

2. Such employees shall be assigned to the Job Bank for the ensuing one hundred twenty (120) calendar days or until they obtain a different job, as long as they comply with the Workers' Compensation Act, relevant rules, this Agreement, the Return to Work Policy and Minneapolis Code of Ordinances §20.810.

3. Permit-temporary employees and certified-temporary employees are not eligible for Return to Work/Job Bank services.

RETURN TO WORK/JOB BANK ACTIVITIES:

1. When injured employees are assigned to the Job Bank, they shall continue in temporary assigned positions with pre-injury salary and benefits. While so assigned, however, injured employees may be required to perform duties outside of their assigned job classifications and/or they may be required to perform such duties in a different location, as determined by the Employer.

2. While injured employees are assigned to the Job Bank, the Employer ad Employee shall make reasonable efforts to identify vacant positions within Employer's organization which may provide continuing employment opportunities.

   a) Lateral Transfer. Employees may request to be transferred to a vacant position in another job classification at the same MCSC grade level provided they meet the minimum qualifications for the position.

      i. Seniority Upon Transfer. In addition to earning job classification seniority in their new title, transferred employees shall continue to accrue job classification seniority in their former title and they shall have the right to return to their former title if the position to which they have transferred is later eliminated as long as the job requirements are consistent with the employee's permanent restrictions. In the event the transfer is to a formerly held job classification, seniority in the new (formerly held) title shall run from the date upon which they were first certified to the former classification.

      ii. Pay Upon Transfer. The employee's salary in the new position will be supplemented, if necessary, to comply with the Worker's Compensation Statutes. Lateral transfers shall not affect anniversary dates of employment for pay progression purposes.

      iii. Probationary Periods. Employees transferring to a different title will serve a six (6) calendar month probationary period. In the event the probationary period is not satisfactorily completed (either because the involved supervisor has concluded that

the employee's performance in the new position is not satisfactory or because the employee is not satisfied with the position), the injured worker shall be returned to Job Bank assignment for the remaining duration of the one hundred twenty (120) calendar day Job Bank period (or a minimum of thirty (30) calendar days, whichever is greater).

b) Reassignment. In accordance with the provisions of the Agreement or other applicable authority the injured worker may be transferred to a new position and/or duty location within their job classification at a time determined to be appropriate by the City. Such transfers terminate the injured employee's assignment to the Job Bank.

c) Filling Vacant Positions. During the time the procedures outlined herein are in effect, position vacancies will be filled based on the employee's qualifications. During their assignment to Job Bank, the injured worker will be provided an opportunity to meet with the City Placement Coordinator to discuss such matters as available employment opportunities with the City, skills assessments, training and/or retraining opportunities, out placement assistance and related job transition subjects. Further, affected employees will be granted reasonable time off with pay for the purpose of attending approved skills assessment training and job search activities.

SEPARATION AND RETIREMENT CONSIDERATIONS:

Where, upon the expiration of an injured employees one hundred twenty (120) calendar day assignment to the Job Bank, no available or suitable position has been found, the injured employee will be separated from City services.

If eligible, injured employees may elect retirement from active employment under the provisions of applicable pension or retirement plan.

The provisions of this *Letter of Agreement* shall become effective upon the approval of the City's governing body and publication of related ordinances in *Finance & Commerce*. The Return to Work/Job Bank procedures outlined herein shall not be observed after the negotiated termination date of the collective bargaining agreement between the Parties.
